

# Child Care Snow Day Policy

Attention Parents,

If the public schools are closed in Holyoke or South Hadley, the Y will have a full day program **at the Holyoke YMCA**. This is available to any child enrolled in the Before or After School Programs. The program will run from 7:30am-6:00pm. Your child will need to bring a nut free lunch and also a bathing suit and towel (optional) as we may have use of the pool for swimming! If your child requires an Epi-Pen or any other medication please make sure to provide extra for the day as we do not have access to the schools if they are closed. Please note that the Preschool Program will remain open on snow days at St. Paul's.

If your child is scheduled to attend the Y program on a day the schools close there is no additional charge to attend the full day program in Holyoke.

If there is a **delayed opening** at the school, there will be no Before School Programs.

If there is an **unscheduled early release** at the school, there will be no After School Programs.

**\*\*In the case of severe weather please call the Y at 413-534-5631 to ensure operating hours. If there is a State of Emergency there will be no program.\*\***

Thank you!  
School Age Staff
